

Appendix to the Privacy Policy: China

1. The following sentence shall be added as a final paragraph in the introductory section of the Privacy Policy before the start of clause 1:

“You consent to the collection, use and disclosure of your Personal Data as described in this Privacy Policy.”

2. Sensitive personal data:

We will collect and handle sensitive Personal Data, for example, when we handle requests for special medical or access assistance or your specific dietary requirements that may indicate your religious beliefs. We will ask you for your consent when collecting and handling this type of Personal Data.

3. Storage and access outside of China:

Your Personal Data may be accessed and stored outside of China by staff or suppliers, transferred, and/or stored outside China.

4. Using your Personal Data to make decisions:

In connection with our business, we will use your Personal Data to make various decisions about you and your eligibility to access our services, to prevent abusive use of our services, to ensure security of our systems, or to detect fraud. Some of these decisions may be taken on an automated basis including, by matching your Personal Data against information in certain risk models that we have created based on the behaviour of other individuals and using your Personal Data to further enhance such models. Under certain circumstances, you may have the right to restrict how we process your Personal Data for these decision making process.

5. Additional rights:

In addition to section 8 of the Privacy Policy, you have the right to:

- (a) subject to certain conditions, request deletion of your Personal Data;
- (b) where processing is based on consent, withdraw the consent;
- (c) where services are provided to you via an account, cancel your account; and
- (d) request a copy of your Personal Data;

You may exercise these rights by contacting us at the contact details in section 8.4 of the Privacy Policy.

6. Accountability:

If you have any concerns or questions about how we are collecting, using or disclosing your Personal Data, or are not satisfied with how we resolve your questions or concerns, please contact us in accordance with section 8.4 of the Privacy Policy.
